6. Foster a high performing, safe, and inclusive work environment by being a proactive member of your District, Regional, and company teams.

## Corporate Responsibilities

You are responsible for ensuring your behaviour and performance are aligned to:

- Our commitment to achieving a *Proactive Safety Culture*;
- Our *Corporate Values* of Commitment, Drive, Integrity, Respect, and Adaptability;
- The behaviour standards outlined in our *Code of Business Conduct* that reflect our *Growing Together Culture*:
  - Growing Our Culture;
  - Reflecting Our Safety Vision;
  - Delivering Ethical Governance;
  - Applying Business Acumen; and
  - Displaying Genuine Leadership.
- Our commitment to a diverse and inclusive workplace by being open to different ideas and cultures, committing to listening to each other, treating everyone fairly, and valuing different perspectives.

<sup>1</sup> The incumbent may be required to work from other HQPlantations locations from time to time which may require overnight travel.

<sup>2</sup> This Position Description may be redesigned from time to time to meet business needs.

## Position Accountabilities

### 1. Ensure a safe and healthy workplace

- Ensure the safety of yourself, your team, and others by placing safety first in all work activities and decisions;
- All work activities are carried out in alignment with HQPlantations health and safety Policy and Standards as detailed in our Health & Safety Management System (HSMS);
- Undertake risk assessments at all times when hazards are identified, prior to all new work and when change is introduced;
- Ensure all workers entering the workplace undertake the required inductions, inspections and checks are maintained; and
- Report all Health & Safety Events and undertake analysis of the event as required.

### 2. Ensure behaviour is inclusive and culturally aligned

- Foster and promote individual behaviour that aligns with our Corporate Behaviour Standards;
- Encourage diversity, being open to different ideas and cultures, committing to listening to each other, treating everyone fairly, being inclusive, and valuing different perspectives; and
- Work collaboratively with your team members, actively support you District Manager and actively and genuinely participate as an effective member of your District, Regional, and company teams.

### 3. Deliver planned silviculture programs

- Develop quality and timely Operations Plans to ensure the delivery of cost effective silvicultural programs (e.g. establishment, maintenance, etc) in accordance with HQPlantations standards and specifications;
- Provide input into the district's tactical plans for establishment, forest maintenance, and fallow management;
- Undertake silviculture projects as required; and
- Monitor the delivery of spraying and chemical applications to ensure contractor activities are in alignment with our safety and environmental requirements.

### 4. Engage in the deliver fire protection and wildfire suppression

- Engage in fire protection activities in accordance with our Corporate Fire Management System;
- Engage in the formulation and delivery of District fire management plans;
- Deliver fire prevention work programs and prepare operational plans for fuel reduction burning and fire line and fire break maintenance activities in accordance with Company standards and procedures in preparation for the fire season;
- Support and coach workers in all aspects of fire protection management;
- Engage in wildfire suppression activities as required as a qualified and capable Sector Commander; and
- Actively participate in fire preparedness rosters and daily fire risk responses, undertaking roles for which you are qualified.

### 5. All work meets our stewardship commitments

- Carry out work activities in accordance with HQPlantations stewardship practices and standards;
- Deliver your District's custodial programs or projects, declared pest management programs, and stakeholder engagement activities;
- Provide advice and support to colleagues on cultural heritage, social impact, declared pests, endangered species, and ecosystem matters affecting the District;
- Participate in and deliver thematic plans such as risk and pest management plans; and grazing strategies; and
- Work positively with your team's external stakeholders including neighbours, local communities, and forest user groups.

## 6. Manage contractor performance and foster positive partnerships

- Work collaboratively with your contractors in the delivery of our operational programs;
- Collaborate and consult with contractors in the development of Operations Plans to ensure goals are clear, consistent, and agreed;
- Conduct Quality Assurance (QA), inspections, and observation of your contractor performance to ensure quality products/services are delivered and safety objectives are achieved as agreed; and
- Positively work with your contractors to ensure positive relationships and outcomes are delivered.

## 7. Monitor business outcomes and delivering quality service

- Monitor the allocated expenditure budget for your operations and ensure that work is carried out consistently, corrective action taken on any variations, and expenditure contained within allocated funds;
- Deliver quality outputs in alignment with quality practices and standards;
- Deliver quality service to all other HQPlantations teams, so that their requirements are met; and
- Proactively explore innovative work practices to deliver operational excellence and improved business outcomes.
