Activity

What did you see?

Date and time

When did it happen?

Location

Where did it happen? Note the address, nearest cross roads, GPS coordinates (you can get these from the Emergency+ app) or take a photo of the closest compartment number.

People involved

Who was involved? Record names and addresses if known or note gender, age, appearance, height, hair colour, clothing, demeanour and if they had weapons or dangerous dogs.

Vehicles involved

Record vehicle information including registration, type of vehicle, colour, make, model, distinguishing features, trailers, etc.

Other notes

What other things did you notice about the suspicious activity? For example, if it was illegal dumping note the type and quantity of waste, but do not disturb any evidence.

Do you have photos or video?

If it is safe to do so, take photos or video of what happened or evidence that has been left behind.

Who will you report it to?

Review the contact list inside this brochure for the most relevant organisation to report the information to. Crime Stoppers is the only organisation that will accept an anonymous report. Other organisations won't usually reveal your details to the offender but you may be required to testify in court.

Forest Watch provides a vital link between local police and forest communities to tackle forest crime and improve neighbouring community safety. The reporting link provides a direct point of contact between local residents and police.

If you have information about criminal activity or suspicious behaviour in the pine plantations, use the form on the back of this brochure to record details and email this information along with any attachments to beerwah.station@police.gld.gov.au.

If the situation requires a faster response than email, please call Policelink on 131 444.

If the matter is urgent or life threatening call 000.

To report a crime anonymously, call Crime Stoppers on 1800 333 000 or report online.

Other useful contacts for a variety of situations can be found inside this brochure. Keep it handy and use the form on the back to record and report relevant information. Most importantly please don't do anything that might put you or your family at risk.
